Ministry of Public Utilities

Schedule for Planned Procurement Activities for Fiscal Year 2026

General Administration

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
1	**GA-26-01**	Rental of Building	80131500	Rental of Office Space						
2	**GA-26-02**	Security	E0132000	Security for MPU Head Office						
3	**GA-26-03**	Purchasing of Six (6) Printers for Executives	43212100	To provide Executive Management and the Procurement Unit with personal office printers to mitigate the risks associated with shared devices and unauthorized access, ensuring that confidential materials remain protected.	November 2025	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
4	**GA-26-04**	Furniture and Furnishings	56101700	Executive and Junior Chairs	December, 2025	February, 2026		Open bidding	N/A	Fixed term contract
5	**GA-26-05**	Employee Assistance Programme (EAP) Services	85455900	Supply of counselling services to members of staff	December 2025	September 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
6	**GA-26-06**	Upgrading of the Ministry's Desktops operating systems – Purchase of 25 Desktop Computers	43211500	To engage authorized vendors to ensure that the Ministry is outfitted with the required updated hardware to support the latest Operating system.	January 2025	February 2025	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
7	**GA-26-07**	Upgrade of the Ministry's Firewall Technologies	43233200	To engage authorized vendors to enhance and upgrade the Ministry's firewall hardware for high availability and bolstering perimeter security to prevent cyber-attacks and intrusions.	January 2025	May 2026	N/A	Selective Tendering	N/A	Fixed term contract
8	**GA-26-08**	Implementation of an AI-Driven Network Detection and Response (NDR) and Email Security Detection and Response Solutions	43233200	To engage authorized vendors to provide NDR and email security solutions that utilizes artificial intelligence to proactively identify and neutralize unknown threats before they materialize.	January 2026	April 2026	N/A	Selective Tendering	N/A	Fixed term contract

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
9	**GA-26-09**	Purchasing of a Two Factor Authentication (2FA) Solution	43233200	To engage authorized vendors to strengthen the Ministry's cyber security posture by adopting the use of 2FA to provide multiple modes of authentication to validate all network logins/access locally and remotely.	January 2026	April 2026	N/A	Selective Tendering	N/A	Fixed term contract
10	**GA-26-10**	Leasing of Multifunction Printers with Integrated Print Management Solution	43212100	To provide the Ministry with a multifunction printing platform alongside an integrated print management solution to bolster operational efficiency, document printing security and reduction in paper wastage.	June 2026	September 2026	N/A	Request for Proposals (RFP)	N/A	Fixed term contract

Government Electrical Inspectorate Division - GEID

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
1	**GEID-26-1**	Uniforms & Safety Supplies	76122400	Supply and Delivery of Protective Gear	December 2025	March 2026	N/A	Request for Quotations (RFQ)	N/A	
2	**GEID-26-2**	Rent/Lease Office Accommodation	80131500	Rental of Office Space	On-going Contract		N/A	Single source selection	N/A	Fixed term contract
3	**GEID-26-3**	Office Stationery and Supplies	14111500	Supply , Delivery of Office Stationary and Office Supplies	December 2025	March 2026	N/A	Request for Quotations (RFQ)	N/A	
4	**GEID-26-4**	Wireman's License and Receipt Books	14111800	Supply and Delivery of Printing Material for Wireman's License Electrical, Installation Report Cards, Application Forms and Deposit Vouchers.	December 2025	March 2026	N/A	Request for Quotations (RFQ)	N/A	
5	**GEID-26-5**	Supply and delivery of Books and Periodicals	55101500	Supply and Delivery of NFPA 70 National Electrical Code Hand Book 2025 Edition (Hard Cover) TTS 171 Part 1 New Revision	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
6	**GEID-26-6**	Supply and delivery of Materials and Supplies	44102000	Supply and Delivery of Laminating Pouches 67 mm x 99 mm 250 mic 2-5/8” x 3-7/8” 10 mil, Laminating Pouches Legal Size and Laminating Pouches Letter Size	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	
7	**GEID-26-7**	Supply and delivery of Maintenance of Vehicles	78181500	Supply and Delivery of Routine Servicing of Vehicles	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
8	**GEID-26-8**	Maintenance of equipment	81112300	Servicing of Printers	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
9	**GEID-26-9**	Repairs and maintenance to building	72101500	4ft fluorescent tubes, screw type bulbs, 4inch electronic ballast 115/277 volts, reakers,4inch tube fixture ends (led), recharging of fire extinguisher & fire extinguisher wall mount brackets, pest control services and Maintenance of air conditioning systems.	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
10	**GEID-26-10**	Training	86132000	Courses on high voltage training ; fire investigation ; technical report writing and advanced information technology.	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
11	**GEID-26-11**	Janitorial services	76111500	Sanitary bins, cleaning of carpets, cleaning of windows and pressure washing and cleaning of carpark.	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
12	**GEID-26-12**	Postage	78102200	Track Pak size 190x280, 400x440 and 228x380	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
13	**GEID-26-13**	Office equipment	43211500 43212100	Desktop Computers, Adding Machines, Computer tablets, High Velocity Multifunction Printers, Card Printers And UPS and (2200va 120v) Battery Packs.	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
14	**GEID-26-14**	Other minor equipment	83111600	Insulation resistance testers, insulation resistance tester leads, voltage protectors, computer microphones, web cams, desktop speakers, mobile phones, kettle, microwave, High Velocity Scanners, Uninterruptable Power Supply and refrigerator.	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
15	**GEID-26-15**	Furniture and furnishings	56101700	Filing cabinets, junior executive chairs, dexion shelving, executive chair and Industrial office mats non-skid.	January 2026	March 2026	N/A	Request for Quotations (RFQ)	N/A	Fixed term contract
16	**GEID-26-16**	Promotions Publicity and Printing	60121900	Ministry events			N/A	Request for Quotations (RFQ)	N/A	

Meteorological Services Division (Trinidad) – MSD

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
1	**MSD-26-01**	Air Conditioning Units	72101500	To replace defective air condition units that have been fraught with several problems including electric control failure, compressor failure, sensor problems, drainage problems and refrigerant leaks	January 2026	June 2026	7 days	Single Source Selection		
2	**MSD-26-02**	Upgrade of Electrical Power from T&TEC to the Met Office's datacenter	83101800	The connection of a dedicated, high voltage, electrical supply from T&TEC and the included infrastructure works to terminate this connection in the Met Office datacentre.	January 2026	May 2026	(3) three weeks	Limited Bidding.		
3	**MSD-26-03**	Supply and Implementation of a UPS Solution for the Met Office's datacenter	43211600	The procurement and installation of a commercial grade electrical power backup solution to provide electrical backup for the ICT assets in the Met Office's datacentre.	February 2026	September 2026	(2) two weeks	Competitive Bidding		Fixed term contract
4	**MSD-26-04**	Construction of Storage Area at MSD Administrative Office.	72121100	These Projects are necessary in order to obtain space to store Materials and Supplies.	January 2026	April 2026	(2) Two Month	Competitive Bidding		Fixed term contract
5	**MSD-26-05**	Purchase of Mobile Handsets for Technical/Senior Administrative Staff of the MSD.	Mobile devices for	Mobile devices for staff	January 2026	April 2026	(3) Three Days	Single Source Selection		Fixed term contract

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
6	**MSD 26-06**	Supply and Installation of a Switching Solution at the Met Office	43223300	The acquisition, installation and configuration of network switches inclusive of the associated software, licenses and any additional components required for the effective functioning of the switch with the primary goal of enhancing network bandwidth.	February 2026	June 2026	(5) Moths	Competitive Bidding		Fixed term contract
7	**MSD 26-07**	Supply and Installation of a Firewall Solution for the MSD	43233200	To acquire, install and configure a comprehensive firewall solution inclusive of the associated software, licenses and any additional components required for the effective functioning of the firewall with the primary goal of enhancing network security and safeguarding the organization's data and services.	January 2026	March 2026	(3) Three Months	Competitive Bidding		Fixed term contract
8	**MSD 26-08**	Service Contract for MSD's AC Units	72151200	The MSD operates 24/7, necessitating continuous functioning of its cooling systems. Routine maintenance services for the AC units, encompassing inspections, cleaning, lubrication, parts replacement and repairs, are crucial to ensure optimal and efficient operation. A service contract for regular maintenance is essential not only for the uninterrupted operation of the AC units but also for early detection of potential issues, minimizing breakdowns, and extending the lifespan of the equipment	January 2026	September 2026	(9) Nine months	Competitive Bidding		Fixed term contract

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
9	**MSD 26-09**	Supply and Installation of new Automatic Weather Station	41114423	Supply and Installation of an Automatic Weather Stations (AWS) l that are important for dissemination of data to our climate database, relevant stakeholders and especially for aviation purposes. This AWS will be able to operate at maximum efficiency in the event of a natural disaster and has built in redundancy that will benefit the public safety and forecasts generated from our division. The AWS will replace all existing obsolete equipment or non-functional or unrepairable instruments and provide accurate and calibrated data required by our local and international standards.	January 2026	September 2026	(9) nine months	Limited Bidding		Fixed term contract
10	**MSD 26-10**	National Climate Outlook Forum	90111601	NCOFs serve as a platform where climate early warning information can be presented to stakeholders of priority climate-sensitive sectors to spur early action and preparedness that can build climate resilience to severe weather events and climate shocks. NCOF XV will serve as a platform to link climate information being generated by the MSD with stakeholder institutions, and their decision-making processes to improve the application of climate information, particularly the seasonal outlooks for the upcoming 2024 Dry Season.	December 2025	September 2026		OPEN BIDDING		Fixed term contract

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
11	**MSD 26-11**	The Intellisense Hygrometer System Upgrade Kit	41112301	The Intellisense System is a high-end precision measuring, modular instrument, that measures with an accuracy of greater than 0.1°C with a resolution of 0.01, easily meeting the requirements set out by the WMO Commission for Instruments and Methods of Observation guide. Telemetry automatically collects, transmits, and measures data from remote sources, which is vital for the MSD. Currently there is no telemetry for this significant source of temperature measurements. The upgrade kit is required for providing telemetry, correcting issues with displays and data logging for Synoptic Observations and also provides accurate and calibrated data required by our local and international standards.	January 2026	June 2026		SINGLE SOURCE		
12	**MSD 26-12**	Office stationery and supplies, cleaning supplies and office consumables	44000000	Writing implements, office tools, envelopes, paper, consumables (water, meals for meetings, cleaning supplies, toiletries etc.	Dec-25 Feb-26 May-26 Sept-26	Dec-25 Feb-26 May-26 Dec-26		OPEN BIDDING		
13	**MSD 26-13**	AWS Sutron maintenance license	41114423	Renewal of annual license of 8 automatic weather stations	July 2026			Open Bidding		

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
14	**MSD 26-14**	GOES-16 Satellite Systems license	25173113	Annual support and license – Satellite Systems; Satellite system	September 2026			Sole source		
15	**MSD 26-15**	Upgrade of IBL Visual Weather Software and Maintenance	43230000	Visual Weather is the primary forecasting software utilized by the TTMS. However, the current version is outdated and lacks compatibility with high-resolution GOES-16 satellite data as well as radar data, limiting its now casting functionality. This upgrade will provide a fully loaded suite of features, including seamless data transmission, making the software an all-in-one tool for both advanced forecasting and efficient dissemination of weather data and advisories.	February 2026	April 2026		Sole source		
16	**MSD 26-16**	Training	86101408	Training on drought, Entry Level Meteorological Technician Diploma (ELMT), MLT, seminars/workshops, ICAO/WMO mandatory refresher courses, training in equipment and systems for repair/maintenance staff, on-line training in Meteorological /Climatological data processing, Tropical Desk, Washington, training through WMO and other International agencies (Terra Scan, Hydro thermometer, CLIDATA, factory training, AWOS	December 2025	September 2026		Open Bidding		

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
				training, GOES-16 training, radar), UN National Hurricane Centre, Miami, Climatological Modelling software training, refresher courses for staff mandated by International Civil Aviation Organization and Quality Management Systems certification process						
17	**MSD 26-17**	Automatic Weather Station/Tidal Gauges	41114423	Infrastructure to erect and install eight (8) Automatic Weather Station/Tidal Gauges in various parts of Trinidad	March 2026					
18	**MSD 26-18**	World Meteorological Day activities	81151502	Hosting of function and open house to celebrate World Meteorological Day	February 2026	March 2026	Open Bidding			
19	**MSD 26-19**	Janitorial Services	76110000	Janitorial Services at Radar site at Brasso Venado, Synoptic, Rawindsone and Support Services Buildings, rental of garbage bins, rental and service of sanitary disposal units, upkeep of radar grounds	Monthly		In force			

No.	Project #	Project Name	UNSPSC Code (Lvl 3)	Brief Description	Proposed date for Issue of Bidding Documents	Expected Delivery/ Completion Date	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
20	**MSD 26-20**	Upgrade of Meteorological Engineering Department and Workshop	72121100	Upgrade of Meteorological Engineering Department and Workshop located at TTMS Rawinsonde Building Compound, Piarco. Department comprises of both workshop and office spaces. Upgrade of Department required according to OSHA Standards include General Technicians Department space, Workstations Area, Sink Area, Battery Charging Area, Fire Exit and signage required and Rooftop Area with meteorological equipment and systems	April 2026	July 2026		Open Tendering
